

Adaptive Golf Coach Training Workshop & Clinic

July 12 Workshop & July 13 Community Clinic

Presented by the Georgia State Golf Association, we encourage all PGA/LPGA Golf Professionals, Therapists, Athletic Coaches & volunteers of all ages to learn the skills of teaching “Adaptive Golf,” to individuals with physical, cognitive and sensory impairments. Learn how to help Youth, Adults and Veterans adapt to their abilities, accelerate recovery and enhance their lives through the great game of golf!

Hosted by:

David Windsor, PGA

*Adaptive Golf Director, Georgia State Golf Association
PGA HOPE Coach, National PGA Patriot Award Recipient*

Location:

City Club Marietta

510 Powder Springs Street
Marietta, GA 30064

Agenda:

Friday, July 12 is 8:00am - 3:30pm

Indoor Presentation: 8:00am - 2:00pm

Lunch: 12:30 - 1pm (Lunch provided by GSGA)

Outdoor Self-Adaptation/Training: 2:00pm - 3:30pm

Saturday, July 13 is 9:30am - 11:30am

Volunteers for clinic stations set-up: 8:30am

Community Clinic Welcome & Start: 9:30am

****Complimentary to Georgia PGA/LPGA Members. Earn 7-10 MSR Credits (Required Category) and become qualified to coach GSGA / PGA HOPE programs for Veterans****

Coaches-in-training will learn how to approach an individual's circumstance using safe, effective techniques and adaptive equipment, then perform self-adaptations over different scenarios, acquiring a better feel and new level of comfort and confidence to teach those with any challenge joining us during the Saturday morning clinic.
