

Adaptive Golf Coach Training Workshop Port Charlotte, Florida

A complimentary workshop invite to PGA/LPGA Golf Professionals, Golf Coaches, Physical Therapists, Volunteers and Supporters to come learn the skills of teaching “Adaptive Golf.” Experience how Youth, Adults and Veterans with physical, cognitive and/or sensory impairments are enhancing their lives through the game.

Hosted by:  **PGA** David Windsor, PGA
Adaptive Golf Director, GSGA/AGA/ PGA of America Patriot Award
Greg Leak, PGA
Adaptive Golf Port Charlotte Lead Coach

Date: Tuesday, February 18, 2020

Location: Port Charlotte GC
22400 Gleneagles Terrace
Port Charlotte, FL 33952

Agenda: Indoor Segment 8:30am – 12:30pm
Lunch 12:30pm – 1pm
Outside Segment 1:00pm – 4:00pm

****PGA/LPGA Members encouraged to attend/earn 7 MSR's (Required Category) in becoming a Trained Adaptive Golf Coach to assist any student during recurring community clinics to best serving your members when any swing/equipment adaptations may be needed.**

This workshop will help coaches become comfortable and confident in teaching individuals with any impairment using safe, effective techniques and adaptive equipment. The AM Indoor segment, presents a full array of common scenarios from physical-mobility impairments such as spine injury, loss of limb to cognitive and sensory issues such as brain injuries, low-vision/blind. In the PM outside segment, we apply self-adaptations across different scenarios before working with individuals from the community joining us, so new coaches can apply and acquire invaluable experiences.

ADAPTIVE GOLFERS IN THE AREA ARE INVITED TO JOIN US 2:30-4:00.
