

Adaptive Golf Coach Training Workshop

For therapists, volunteers and supporters who want to learn Adaptive Golf teaching skills

Hosted by: David Windsor, PGA, Adaptive Golf Academy Founder/Principal
Jonathon Snyder, U.S. Adaptive Golf Alliance

Friday, April 26, 2024

\$75 fee, payable at registration
• Includes lunch and all materials

This is an approved NCTRC Continuing Education Session (6.5 CEUs)

PGA Professionals may receive up to 9 PDR's (6 on Fri. & 3 on Sat.)

Coaches will become comfortable and confident in teaching individuals with any impairment using safe, effective techniques and adaptive equipment. Through videos and photos, the morning session presents an array of common scenarios from physical/mobility impairments such as spine injury and loss of limb to cognitive and sensory issues like brain injuries and low-vision/blindness. The afternoon session offers on-site self-adaptation practice before participants work first-hand with local residents.

Local adaptive golfers are invited to join for the golf clinic from 3-4:30 p.m.

Indoor Session Location

Waterford Oaks Activity Center
2800 Watkins Lake Road
Waterford, MI 48328
