

## *Adaptive Golf Coach Training Workshop* *SAVANNAH, GA*

Presented by the Georgia State Golf Association, we encourage all PGA/LPGA Golf Professionals, Coaches, Recreation Therapists, community supporters & volunteers to learn the skills of teaching “Adaptive Golf,” enhancing the lives of individuals with different abilities. Learn how Youth, Adults and Veterans are using the game in their recovery and in overcoming their physical, cognitive and sensory impairments.

**Hosted by:**

**PGA**

**David Windsor, PGA**

*Adaptive Golf Director, Georgia State Golf Association  
National PGA of America Patriot Award, PGA HOPE Trainer*

**Date:**

**Friday, October 5, 2018**

**Location:**

**Hunter Golf Club**

1546 S. Perimeter Rd.  
Savannah, GA 31409

**Agenda:**

**Indoor Segment** 8:30am – 12:30pm

**Lunch** 12:30pm – 1pm (Provided by GSGA)

**Outside Segment** 1:00pm – 4:00pm

***\*\*\*Complimentary to Georgia PGA/LPGA Members. Earn 7 MSR Credits (Required Category) plus become qualified to coach PGA HOPE Georgia programs for Veterans\*\*\****

This workshop will help coaches become comfortable and confident in teaching individuals with impairments using safe, effective techniques and adaptive equipment. The AM Indoor segment, presents a full array of common scenarios from physical-mobility impairments such as spine injury, loss of limb to cognitive and sensory issues such as brain injuries, low-vision/blind. In the PM outside segment, we apply self-adaptations across different scenarios before working with individuals from the community joining us, so new coaches can apply and acquire invaluable experiences.
